WELCOME

It is an absolute privilege for us to return to Anglesea and see all of you again—elites fighting for the podium places and those who are just hoping you will make it to the finish line.

We are extremely excited to welcome all spectators, volunteers and participants to Anglesea for the first race in the 2022 Sprint Series.

Surf Coast provides everything the most scrupulous adventure racers could wish for:

- exciting mountain bike trails;
- safe paddling waterways;
- great views with recently updated maps;
- a variety of sleeping and eating options.

TRAINING SESSIONS

From our experience, **Navigation** and **Kayaking** are the main daunting parts for first-time adventure racers.

We understand how busy you are. We have designed two fully-packed sessions, right in the race HQ. They will give you an opportunity to familiarise yourself with the kayaking equipment and get a quick “how to use a map and compass” guide.

What: Kayaking and Navigation sessions, 30 minutes each, you can book either one or both sessions.

When: Saturday the 30th of April. From 5 till 6 PM.

Where: Anglesea foreshore, event HQ. Queenscliff Coastal Reserve
-38.41209714369427, 144.1889368968965

Who: designed for first-time racers.

Cost: \$20 per session or \$30 per both per person.

Booking: <https://eventplus.net/shop?eporg=SSA22> add one training session or both training sessions to your registration

LEG 5 (6) RUN	LEG 5 (6) KAYAK

Sprint Series Adventure Race

NOVICE
START 10 AM

LEG 1 RUN
LEG 2 KAYAK
LEG 3 RUN
LEG 4 MTB
LEG 5 RUN

Classic course

Teams will be divided randomly into two groups. You will receive your group allocation at the registration. Groups will have a different order of course legs. Ultimately both groups will complete the same course.

Novice course

Teams will start with short running leg. Then all teams will paddle, run to TA, ride and then run back to the finish line. Please do not adjust boats before the start, as Classic teams will be using them first.

Advanced leg (Classic course only):

The leaders of both groups will be able to complete an additional advanced mtb leg straight after the mtb section. To qualify for the advanced leg Group 2 teams have to complete run 1, run 2 and mtb legs within 5 minutes after the leading team; Group 1 teams have to complete the run 1, kayak, run 2 and mtb leg within 8 minutes after the leading team (of their Group). Totally, maximum 8 teams within each Group can qualify for the advanced leg. E.g. if you're 9th within your Group you cannot proceed to the advanced leg; or if only 2 teams complete the mtb and previous legs within 5 or 8 minutes respectively (based on your start Group) then only 2 teams will qualify for the advanced leg.

Results calculation (Both Classic and Novice courses)

Each missed CP (except Advanced leg for Classic), will result in 20 min time penalty.

Each CP on the advanced leg will give 20 min bonus, which will likely result in teams tackling advanced leg ranked in front of all other teams.

RACE TIMING

CHECKPOINTS

The course is determined by control points, marked on the maps with pink circles.

Timing stations will be located at each checkpoint.

The first few checkpoints will be equipped with 2-3 stations.

At each checkpoint you need to push on the timing station with your timing chip.

The station will beep and flash if you register successfully.

Demos will be given at the briefing.

Please make sure you tried how timing system work.

TIMING TAGS

Timing tags are supplied to each participant. The timing tag has to be fastened with a wrist band (provided).

The timing tags are used to 'register' at each checkpoint.

Both members of a team have to register at each checkpoint.

There is a timing station under the finish arch. Once you 'register' at that station your racing time stops.

AFTER THE FINISH

Please return timing chip once you finished.

No chip, no race timing, unfortunately.

Timing station

Timing chips.
